Biomedical Engineering Qualifying Exam Assessment

Student Name	Comp ID	SIS ID
(last, first middle)	*(e.g. mst3k)*	*(office use)*

QUESTION SCORING: 5 = excellent; 3 = adequate; 1 = unsatisfactory (or NA)

	Q1	Q2	Q3	comments

1. Integrate knowledge

Has the student demonstrated an ability integrate a body of advanced knowledge in biomedical engineering ?

2. Experimental design

Has the student demonstrated understanding of experimental design and hypothesis testing ?

3. Design and analysis

Has the student demonstrated the ability to formulate design concepts or develop quantitative analysis of a process?

4. Knowledge of field

Has the student demonstrated knowledge of the field?

5. Presentation quality

6. Ability to answer questions
